

# DIY Superhero Characters

Be ready for action with these fun popsicle characters! Re-create your favourite superhero or make your own. Once you have your superhero squad you can put on a show for the family.

**You will need:** Popsicle sticks, colouring pens or paint, black (fine) pen for the small facial details, coloured paper or cupcake liners for the cape, googly eyes, glue, glitter.

- 1 Begin by painting your superhero outfit on the popsicle stick.
- 2 Cut out a triangle from coloured paper to form the cape. Alternatively you can fold a cupcake liner in half. Cut out a rectangle to form the superhero mask.
- 3 Glue your cape to the back of the popsicle stick. While you have your glue out, glue the mask onto the face. Time to add in your facial details with googly eyes or draw them on with a black fine pen.
- 4 Add any other decorations you like, for example using some glitter glue, stickers, and gems. You can use your superhero popsicle stick as a bookmark when you are done.
